

Putu Wahyu Satya Giridharma

Information Systems Student | Specializing in Data Mining & NLP

+62 851-5740-7091 | satyagiridharma@gmail.com | wahyusatya.github.io | Singaraja, Bali, Indonesia

Key Skills

- Data Mining & Analysis
- Natural Language Processing (NLP)
- Machine Learning Algorithms
- Python Programming
- Research Methodology
- Team Leadership
- Project Management
- Academic Writing

Research & Leadership Experience

AI Researcher & Developer 2024 – Present

Independent Research Project / Undergraduate Research Group

- Developed a Fake News Detection System using Natural Language Processing (NLP) to analyze linguistic patterns and classify information authenticity.
- Engineered a YOLO-based computer vision system for high-accuracy detection of athlete bib numbers in real-time environments.
- Implemented motion-based classification algorithms for a fall detection system, demonstrating application in biomedical monitoring.

Coordinator of Data Mining Division Apr 2025 – Present

Study Club (SC) - Scientific and Empowerment Unit

- Led a community of students dedicated to advanced analytics, facilitating peer-to-peer mentoring in Python and Data Mining.
- Managed collaborative research activities and technical workshops to enhance members' practical skills

Student Research Assistant Nov 2024

IS Department Undiksha

- Collaborated on a Community Service (P2M) project at SMAN Bali Mandara and successfully secured Intellectual Property Rights (HKI) for the Gamma App instructional module.

Education

Bachelor of Science (B.S) In Information Systems 2023 – Present

Ganesha University of Education

- Cumulative GPA: 3.78 / 4.00
- Relevant Coursework: Data Mining, Database Management, Statistics and Probability

Publications & Achievements

- **Publications:** Evaluasi Pengalaman Pengguna Aplikasi WONDR by BNI Menggunakan User Experience Questionnaire (UEQ) (User Experience Evaluation of WONDR App by BNI Using User Experience Questionnaire). JITET, 13(2), 2025. DOI: [10.23960/jitet.v13i2.6428](https://doi.org/10.23960/jitet.v13i2.6428)
- **Intellectual Property (HKI):** Registered Copyright for "Gamma App" Instructional Media Module (2024).
- **Certifications:** Python for Data Science (IBM), SQL Fundamentals, Web Development.
- **Languages:** Indonesian (Native), English (TOEFL ITP: 530).
